*“EDUCATING MEMBERS OF CONGRESS ABOUT FIRE & LIFE
SAFETY ISSUES SINCE 1989”*

2023 NATIONAL FIRE AND EMERGENCY SERVICES SYMPOSIUM AND DINNER

Since 1989, the Congressional Fire Services Institute (CFSI) has had the distinct honor of hosting the annual National Fire and Emergency Services Symposium and Dinner. **Bringing together fire and emergency services leaders from across the nation**, the event provides a unique opportunity to **interact with federal leaders** and engage them in discussions about federal programs and legislation that address the needs of our nation's firefighters and emergency services personnel. The two-day event culminates with the annual dinner program that celebrates the dedication and commitment of our first responders and recognizes individuals and organizations for outstanding leadership.

The event is also our major fundraiser. The support generated from the National Fire and Emergency Services Symposium and Dinner enables CFSI to perform its mission in Washington, DC to educate federal leaders on the importance of federal programs and funding to help our first responders perform their work safely and effectively.

Help us help our nation's firefighters and emergency services personnel by becoming a CFSI supporter. You can contact me directly at bwebb@cfsi.org to discuss the sponsorship opportunities in the following pages.
